

Anti-Slavery Office
New York Feb. 6, 1858.

Dear Mr. Garrison

I find here Mr. May's letter of the 3rd inst, stating that you could not be at Poughkeepsie & Hudson at the times specified in the Programme of the Liberator -

I regret exceedingly that I so widely misunderstood you as to the time you would come into the State - But now for the next best thing to be done -

Phillips has appropriated, Monday March 8th to the Albany Convention - We shall announce the Albany Con.

mention, therefore, to commence
Monday evening, with a Lecture
from Mr. Phillips, and continue
through Tuesday & Wednesday 9th 10th.

The Hudson & Poughkeepsie Con-
ventions, also Easton - I will postpone
- The two first, we do not feel best
to hold, unless we can have your
presence - The people were sadly
disappointed last winter - and I
had rather ~~postpone~~ them altogether,
than disappoint ~~them~~ them again -
We could not make the people
believe our announcement in
good faith - I, therefore, shall
recall the notice from Poughkeepsie
Papers, which appeared last week.
- I would have delayed until hearing
from you, but that to do so, would
leave too little time for the laundry
people - - I hope Aaron will
not have made any move at
Hudson - I write Maria Marriott
by same mail with this -

Now Mr. Garrison, will you
fix the evening on which I may
make the first appointment for
you - If you can't spare time
to go to Easton, we may, possibly
crowd the Hudson & Poughkeepsie
conventions into the 1st week in
March - Aaron, Lydia & I all
agree in the belief that a good
convention might be held at Utica
this winter - and had intended
to appropriate the 1st week in March
to Utica - If ^{you} can give time to
Poughkeepsie, Hudson & Utica - I
shall be glad - but perfectly satis-
fied, if we can carry through the
Pough & Hudson - Only tell me what
day I may announce you for
the first meeting in New York,
and how many conventions you
will attend - and I will try and

make the arrangements
complete -

Enclosed is announce-
ment of postponement of the
Pough. Hudson & Easton Convention
for the Liberator -

I hope your health is improv-
ing - and that you will be
able to attend the Pough. & Hudson
previous to March 8th -

I think Charles & myself will
work in Dutchess County for
the present -

Please write me by return
mail to Poughkeepsie N.Y. where
I shall be on Thursday the 11th -
also give Charles the time you will
come into the State - he is to meet
me at Washington Friday the 12th -

With love to Mrs. G. and the dear
children, I am Yours Truly

Susan B. Anthony
